

2015/2016 Christian Education Year Chaperones / Drivers

I/We would be willing to consider chaperoning and/or being a driver for youth events that are scheduled throughout the year (examples: Shore Retreat, Closer Walk, Hawk Mountain, Shelter Luncheon, etc.).

Please understand that if you choose to serve as a chaperone, especially for overnight events, you may need to have a background check and a criminal record check (clearances) completed. This is recommended by our insurance company and also to make every effort to keep our children and youth safe.

Please contact me/us using the contact information below prior to events to check my/our availability:

Please fill out the following information and return this entire form to Dawn. Thank You!
