THE BAPTISM OF OUR LORD

That's what this Sunday will be about. To make this service even more special, we are asking for your photos showing baptism. It can be a newborn baby or it can be someone older. When you find a great photo, please upload it to the following: <https://tinyurl.com/StMarksPhotos> Please do this by Friday noon. Everyone loves to see these photos! We do try to put all of them through. We occasionally run into a problem. The journey these photos take – from your device to the link given here to the video for recording – well, it's quite a trip! I just want you to know that every effort is employed to get all the photos you send incorporated in the service. We just love them!

A WEEK OF FIRSTS!

Six days into the New Year! We have already had our first worship service of 2021 three days ago. We are preparing for our second service now. We received an email from our Bishop requesting that our churches remain virtual until further notice. So we will continue on our recording pathway and we will continue to connect with you via our website and email. You can always call the church office, too.

During this first week of 2021, a letter has been mailed to the entire congregation – regular mail, through the post office. It provides lots of information of great interest to all at St. Mark's. Please look for it!

Monday, January 4th, was Church Council's first meeting of 2021. It was our reorganizational meeting – it gets everything in place for the year ahead.
