PHOTO CHALLENGE

I call it a challenge because this week we are not asking for a photo of a specific item. This request is open to your interpretation. This Sunday is about Jesus being the light, about Jesus gathering people to follow him. So we are asking for photos depicting this: where do you see the light of Jesus in your everyday life? Is it a person or a place? Is it something else? Once you decide on a photo, please upload it to: <https://tinyurl.com/StMarksPhotos> I cannot wait to see what you come up with. Your photos are always so great!

LETTERS & ENVELOPES

A letter has been mailed to all our members relating great news! We will be viewing a recorded service by Pastor Russ on January 24th. Afterwards, we will need to attend a Zoom meeting to vote on calling Pastor Russ to be our new permanent pastor! All the information about this is in the letter, so please look for it. It was sent last week.

Some of you have called regarding our offering envelopes not being received yet. I called the envelope company and was told they were mailed out. One part of the problem is that they need to be hand sorted because of the thickness of the envelope pack. So between that and staffing shortages in the postal system and the holidays, we find ourselves still waiting. Please know that you can send your offering in a plain envelope. I can match your name and account number so your offering will be properly recorded!

CHURCH WEBSITE

You can access the recorded Sunday worship service, the bulletin and the Remarks & Reminders on our website. Our address is: www.stmarkspennsburg.com It's all there for you!

WORD IN SEASON

I have the Jan/Feb/March issue of The Word In Season here in the office. I also have a few of the large print version. If you would like to have one, please stop by or call to have a copy mailed to you.

YOUR WAY HOME

Your Way Home is a partnership between government, philanthropy, nonprofits and community partners to end homelessness and housing instability for hard working families and vulnerable residents throughout Montgomery County which, in turn, will make our community stronger for everyone.

The Open Link sent out an email stating that they have funds available to help address needs in the Upper Perk Valley. To find out more about this program, please call Stu Bush or Linda Connell at 215-679-4112.
