WATER

Water is the theme for this Sunday. Remember that bible story about Jesus sending his disciples ahead on the boat, and it became stormy, and the next morning the disciples saw Jesus walking on water..... to be continued – Sunday! In the meantime, please send in photos of water. Walking in a puddle, a creek, at the ocean or lake. Swimming or playing with water using a sprinkler, a hose or a pool. Watering a garden. Rowing a boat. Standing in the rain. Water can sparkle in the sunlight. Water can look angry reflecting storm clouds. Sometimes water is fun, sometimes it is frightening. Photos of water – that's what we need for this Sunday. You can upload your photo right from your phone to: <https://tinyurl.com/StMarksPhotos> I receive calls weekly telling me how much the photos are enjoyed. You add a sparkle to the service with your photos!
