ReMarks and ReMindors

SEPTEMBER 01, 2020

SCHOOL DAYS, SCHOOL DAYS

It's back to school for most children – even if school is being done on-line. From what I have seen, teachers are doing everything they can to make the kids feel like they are in the classroom even when they are really at their kitchen tables! So this week, please take a photo of anything to do with school, your child busy on their laptops, reading, figuring out a math problem – eraser in hand, writing a paper (do they write now that they have laptops?), or maybe a teacher leading a lesson, and upload it to: <https://tinyurl.com/StMarksPhotos> Please do this no later than Thursday noon. It's a holiday weekend coming up! Thanks!

COMMUNION SUNDAY

Pastor David will be offering Communion this Sunday, September 6th, during our recorded service. Please be sure to have Communion elements ready before viewing.

OUR RECORDED SERVICES

I hope you have all been tuning in to our recorded services. They are truly terrific! It's so good to see you when you are doing prayers, or scripture readings. You were able to see Pastor David Penman, our bridge pastor this past week. Didn't you just love his conversation with Jesus! You could so easily relate to this – almost like you have had some of this conversation yourself. And Heather. Heather outdid herself with this one! Then we had Eagles Wings sung by Sally and Becky. From beginning to end, it was fantastic! None of this would be possible if it weren't for Bill putting it all together. Now he has even taken it a bit further. This Sunday, you will see an electronic bulletin along with the recorded service. Amazing! Be sure to tune in!

ADULT BIBLE STUDY

The Adult Bible Study class invites you to join us for a Zoom discussion on Sundays at 9:00 AM. We are starting a new 13 week unit called "The Many

Faces of Wisdom”. No Bible knowledge needed, just a willingness to listen, learn and share. No long term commitment – each week’s lesson is separate. If you are interested, please contact Deb Long at debra.reed588@comcast.net A Zoom link will be sent to you for the class. Added bonus: you get to see and talk with other members of St. Mark’s!

FUTURE PHOTO REQUESTS

The Worship Committee thought it would be a great thing if we could all post photos of ourselves – and maybe you can post a photo of a St. Mark’s member who does not have internet access. There are some members who were not able to get to church back when we were still open because of health/medical concerns. This would be one way we could all see each other. So please keep this in mind especially if you plan visits over the Labor Day weekend. The Committee would like to have these for the **September 13th** service. One other thing, please do not upload these photos until next week. I will remind you then.

MASKS

I think masks are going to be a must-have accessory for a long time yet. It keeps us all a bit safer! Gives us all a bit more freedom with being out and about. So if you need a mask – or just want to add to your collection – you should contact Gail Allen. Gail makes masks! I have some, they are great, trendy and washable! Many different patterns are available from florals, to plaids, to prints to solid colors. The masks are only \$5.00. Contact Gail on her cell: 215-771-7858. She will be glad to help you!

THANK YOU!

I would like to share with you a thank you letter received from Jessica Pyne:

“I am honored to be a recipient of the 2020 scholarship. Your generous and continued support is helping to fulfill a lifelong dream of going to college. I am now a junior at Moravian College with a Health Science Pre-Athletic Training major. I have also recently declared a dance minor. Again, I thank you for your contribution to my education. Best regards, Jessica”
