CONGREGATIONAL MEETING

Our annual congregation meeting is normally held on the second Sunday of December. The purpose of the meeting is to approve nominees for Church Council and to approve the budget. Since we cannot meet in person this year, we are asking you to consider the nominees and budget included in this mailing and issue your vote via e-mail, letter, or phone call.

First, approval of the nominees. The following people have agreed to serve on Church Council for the upcoming term which begins January, 2021:

Beck Folk

Barry Fox

Heather Schmitt

Connie Taglieber

Secondly, attached is the proposed budget for the Year 2021. This unusual year presented unusual challenges in establishing budgetary guides for the new year. Council thought it best to follow the 2020 budget – a full and complete year – and apply it for the upcoming Year 2021.

Please consider both the nominees and the budget. Then send in your vote in one of the ways listed below. Please advise us of your vote by December 21<sup>st</sup>.
